*Call Process Update*

The Fountain of Life Call Committee had its first meeting on July 10th, 2018. We had a great discussion about the call process, and are excited to start this journey. One of our primary goals is to be as transparent as possible in order to communicate effectively and serve as the voice of the congregation. Going forward, we will be sharing our meeting minutes with the congregation through the weekly E-Newsletter, and at the Information Center in the Narthex. We look forward to hearing from you as we continue this journey together.
