Call Process Update

The Call Committee has submitted the Congregational Profile and your list of nominations to the Office of the Southeastern District President. President Denninger and his staff are beginning the approximately 8 week process of reviewing our nominations and adding additional pastors, contacting these pastors to ascertain whether they would be open to receiving a call, collecting the respective pastors' profiles, and evaluating their potential to do the Lord's work in partnership with Fountain of Life and the District. So, now do we just wait? NO! It is time to cover the call process in prayer. Please include our congregation, call process, and our future pastor in your prayers daily!
