Call Process Update

The Call Committee had its second meeting and covered significant ground mapping out the steps of the call process. We are working on a visual aide to help demonstrate this process more clearly and will use this going forward to display where we are in the process. We should receive a list of potential pastoral candidates back from the District in the next 2-4 weeks. Lastly, we are working on organizing a mid-week prayer service approximately once a month to help cover the process in prayer. For more information, please seek out recent meeting minutes, or feel free to contact any of the committee members. Continue to pray for our future pastor as well as for our congregation. - **Call Committee**
