### Agenda items

#### 1. Update from Pastor McDaniels

Pastor McDaniels was successful in contacting each pastoral candidate, except two, and informing them that they are on a call list. They do not know specifically that the congregation of interest is Fountain of Life Lutheran Church in Kernersville, North Carolina. The Call Committee can now begin reviewing the pastoral profiles and reaching out to candidates to provide a summary and recommendations to the congregation.

#### 2. Discussion on reviewing candidate profiles

We analyzed a sample profile as a group and identified key areas that will need careful review for each candidate. We specifically focused on aspects of the profile that are particularly important for Fountain of Life, based on the input from the congregation at the Town Hall meetings.

#### 3. Determining process for formalized review of profiles

We brainstormed and ultimately decided upon how to standardize the process of reviewing profiles in order to compare and contrast candidates. Our reviews will focus on aspects important to Fountain of Life based on our congregational profile, which includes key congregational input from the Town Hall. Each committee member will review the profiles, and at our next meeting the group will come together to discuss the candidates and form summary documents for the congregation.

#### 4. Invitations for phone discussions

Once we have discussed the candidates' profiles, we will begin reaching out to promising candidates and inviting them for phone discussions with the call committee.

*If you would like to view Fountain of Life's congregational profile, it is available to members and regular attendees in the church office upon request.*
