Call Process Update

The Call Committee is actively reviewing profiles of pastoral candidates. Once the committee has reviewed the profiles and discussed the candidates, we will begin reaching out to set up phone discussions. Throughout this process we will be compiling what we learn in the summaries that will be shared with the congregation at town hall meetings. The summaries are intended to present the strengths of each candidate in order to help the congregation vote on which candidate to invite for an in-person visit. This is an exciting time in the call process, and we ask for continued prayers.
