Welcome We continue our series "God in the Darkness" with today's message titled "**Patience**". After spending the last 2 months under a Stay at Home Order, many of us are starting to experience Quarantine Fatigue and the struggle is real! People everywhere are wondering how long is this going to go on? When we are focused on how circumstances are unfolding, it is easy for all of us to grow impatient. One of the things that God's Spirit produces is Patience. This week, we will take a step back to see things from God's eternal perspective and discover a renewed patience for the challenges we face today
