Welcome We conclude the series, **Master Mind "Change your thinking. Change your life."** with today's message titled, **Change Your Mind**. We can't control what happens to us, we can only control the way that we respond to it. We don't get to decide what story we are in, we can only control the character that we are going to be. The way that we respond to the challenges of life all depends on how we see them. God's word gives us the power to see our circumstances in a new perspective and overcome any obstacle that comes against us.
